

How to access the Essential Letters and Sounds ebook library at home

1. Visit the Oxford Owl website:
<https://www.oxfordowl.co.uk/>

2. Login to the 'students' section using the login for your child's class.

Holly: hollyclassfm

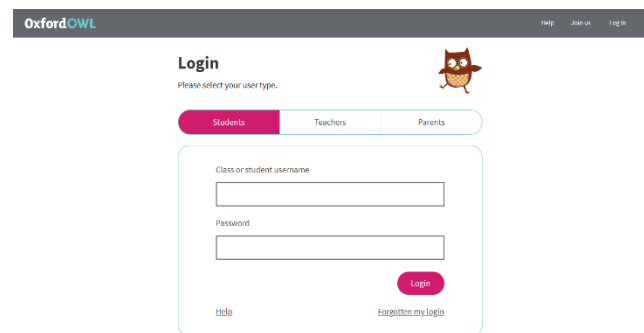

Chestnut: chestnutclassfm

Willow: willowclassfm

Oak: oakclassfm

Rowan: rowanclassfm

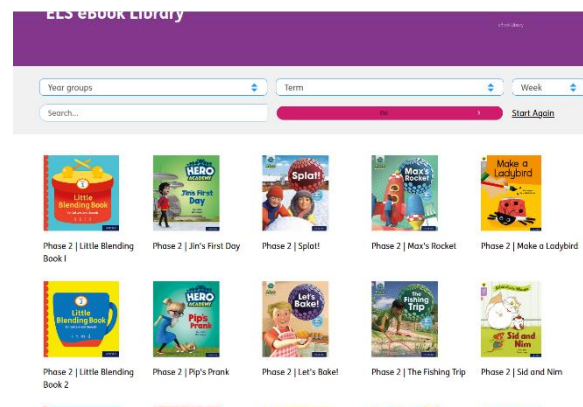

All classes have the same password: FourMarks1!

3. There are a variety of Oxford Owl ebooks that you will be able to access.

4. Our school phonics scheme is 'ELS'-essential Letters and Sounds. You can select your child's year book at the top. There is a library of books that run alongside the scheme and will support what children are learning in school.

Note: ELS does not cover year 2, but there are lots of books on the website that will be appropriate for year 2 children so please do access them and use them to practice your child's fluency and phonics at home. Thank you
