HW, seconded by AD, moved that AG be appointed the Pupil Premium Governor. The FGB agreed to appoint AG.</p> <p data-bbox="376 523 723 555">(ii) Standards and Curriculum</p> <p data-bbox="376 555 2045 667">JE provided an update from the S&C Committee. At its meeting of 12 May 2022 the Committee had received an update on art. The curriculum was being developed with links to other areas including history and science. Each art unit had an overarching WALT (We are learning to) sheet which made progression in learning for art clear. Children would discuss art with others as part of the enquiry approach, understanding and respecting that people have different opinions.</p> <p data-bbox="376 667 2022 762">The Committee also received an update on history and geography which were linked curricular areas. Progression in mapping skills was developed through the curriculum: EYFS: what's in front of you, KS1: local national and some international, KS2: expanding on KS1: global - looks at continents, location of physical features (e.g. mountain ranges, volcanoes etc).</p> <p data-bbox="376 762 2045 858">JE provided an overview of the information considered by the Committee relating to SEND. The weekly training sessions with LSAs had gone well and the next steps included: involve children and their parents; CPD and training for LSAs; add useful resources to the website, and improve DT children's access to the curriculum.</p> <p data-bbox="376 890 2045 1010">SATS had now finished. VS commented that it was very challenging to be tested on a 2 year programme of study where significant teaching time had been lost. Results were due on 5 July 2022. KS1 was being moderated. There was no deviation from pre-COVID standards for what was expected from the children, and there needed to be evidence of every standard to be able to achieve a particular standard. VS had heard that there would not be moderation at KS2.</p> <p data-bbox="376 1042 1877 1074">The Early Years Team had been shortlisted for a Hampshire Education Award. The results would be announced on 4 July 2022.</p>	In Year Surplus/(Deficit)	(44,308)	Surplus/(Deficit) Brought Forward	177,727	Cumulative Surplus/(Deficit) Carry Forward	133,419

6 SIAMS Inspection	<p data-bbox="376 1137 2045 1225">The Chair advised that he would make a personal representation on how the inspection was conducted as he was concerned that the method of inspection is not conducive to seeing the desired values in practice. The Chair led the FGB in thanks to the staff for their hard work to make the inspection a success.</p> <p data-bbox="376 1257 2022 1289">VS advised that in general the inspection went very well and that it was a very positive report. Collective Worship and Spirituality were found</p>							

Main points discussed	Decisions/Actions	Action
	<p>to be 'excellent'. The next steps for the school was: to look deeper at diversity within Christianity (different denominations within Christianity). HW felt the 'Good' grading did not take account of all the ways in which the school was 'Excellent'.</p> <p>The FGB discussed the ability to view the inspection as a chance to learn from and take note of how to improve and prepare ahead of Ofsted and future visits with a firm focus on evidencing every outcome area. However, alongside evidence it was important for Ofsted to be able to speak knowledgably as well. The recording of Governor visits was another important area.</p>	
<p>7 Inset Days 2022/23</p>	<p>The FGB agreed the 2022/23 inset days as:-</p> <p>1 September 2022 2 September 2022 31 October 2022 3 January 2023 26 May.2023.</p>	
<p>8 Safeguarding</p>	<p>Appointment of Safeguarding Governor</p> <p>Eunice Maloney had resigned as a member of the FGB and there was consequently a vacancy for the position of Safeguarding Governor. Nominations were sought for the position. AD seconded by DV moved HW as Safeguarding Governor on an interim basis. There were no further nominations. HW was appointed Safeguarding Governor on an interim basis.</p> <p>VS provided an update on safeguarding matters. There were fewer high level issues but there were more friendship issues being experienced than usual. This increase was likely as a result of the impact on socialising through the pandemic and in particular less developed skills regarding how to resolve differences. Some children also seemed more preoccupied with the idea that disaster was imminent. These children could be put at ease. There had been an evolution of issues to the pandemic and war from previously worries which was evident in the children's responses to feeling safe, and in particular a heightened sense of danger relating to fire drills and strangers. The school was aware of this heightened anxiety and would create a safe space for children to talk about things they hear of outside of school.</p>	
<p>9 Health & Safety</p>	<p>DV provided an update on health and safety. He had undertaken a visit and had completed the checklist. The lockdown drill had generated good lessons learned and was broadly successful. One element for ongoing focus was how to ensure all staff on the premise knew the local procedures with particular emphasis on sports coaches and other areas with higher turnover. DV also advised that he would look at areas where there was scope for automation.</p>	
<p>10 Training</p>	<p>AD provided an update and noted that there was a need to book the Whole Governing Body training for this year. Recent topics selected by the FGB had been safeguarding and wellbeing.</p> <p>Hampshire Governor Services - Quality of Service Questionnaire 2022</p> <p>The FGB considered the Hampshire Governor Services - Quality of Service Questionnaire 2022 and agreed to submit the following response:-</p>

11 GDPR	<p>The FGB noted that should Governors receive data requests that these required to be treated as formal requests and should be passed to the school as soon as possible.</p> <p>In relation to a point on the retention scheme, VS confirmed that the school kept documents only as long as required. There is a retention schedule that is published on our website, adopted from Hampshire.</p>	
12 Additional Business Raised in Advance	<p>The FGB considered the matter of internet connectivity for Governors when in the school. There had been some issues experienced with the guest wi-fi. The FGB requested that how to improve the connection for Governors was explored and implemented.</p>
